THE WOODEN SHOE

Volume 30

June 1976

THE WAY WE WERE

Yesterday is but a dream

Tomorrow is only a vision

But today well lived

Makes every yesterday

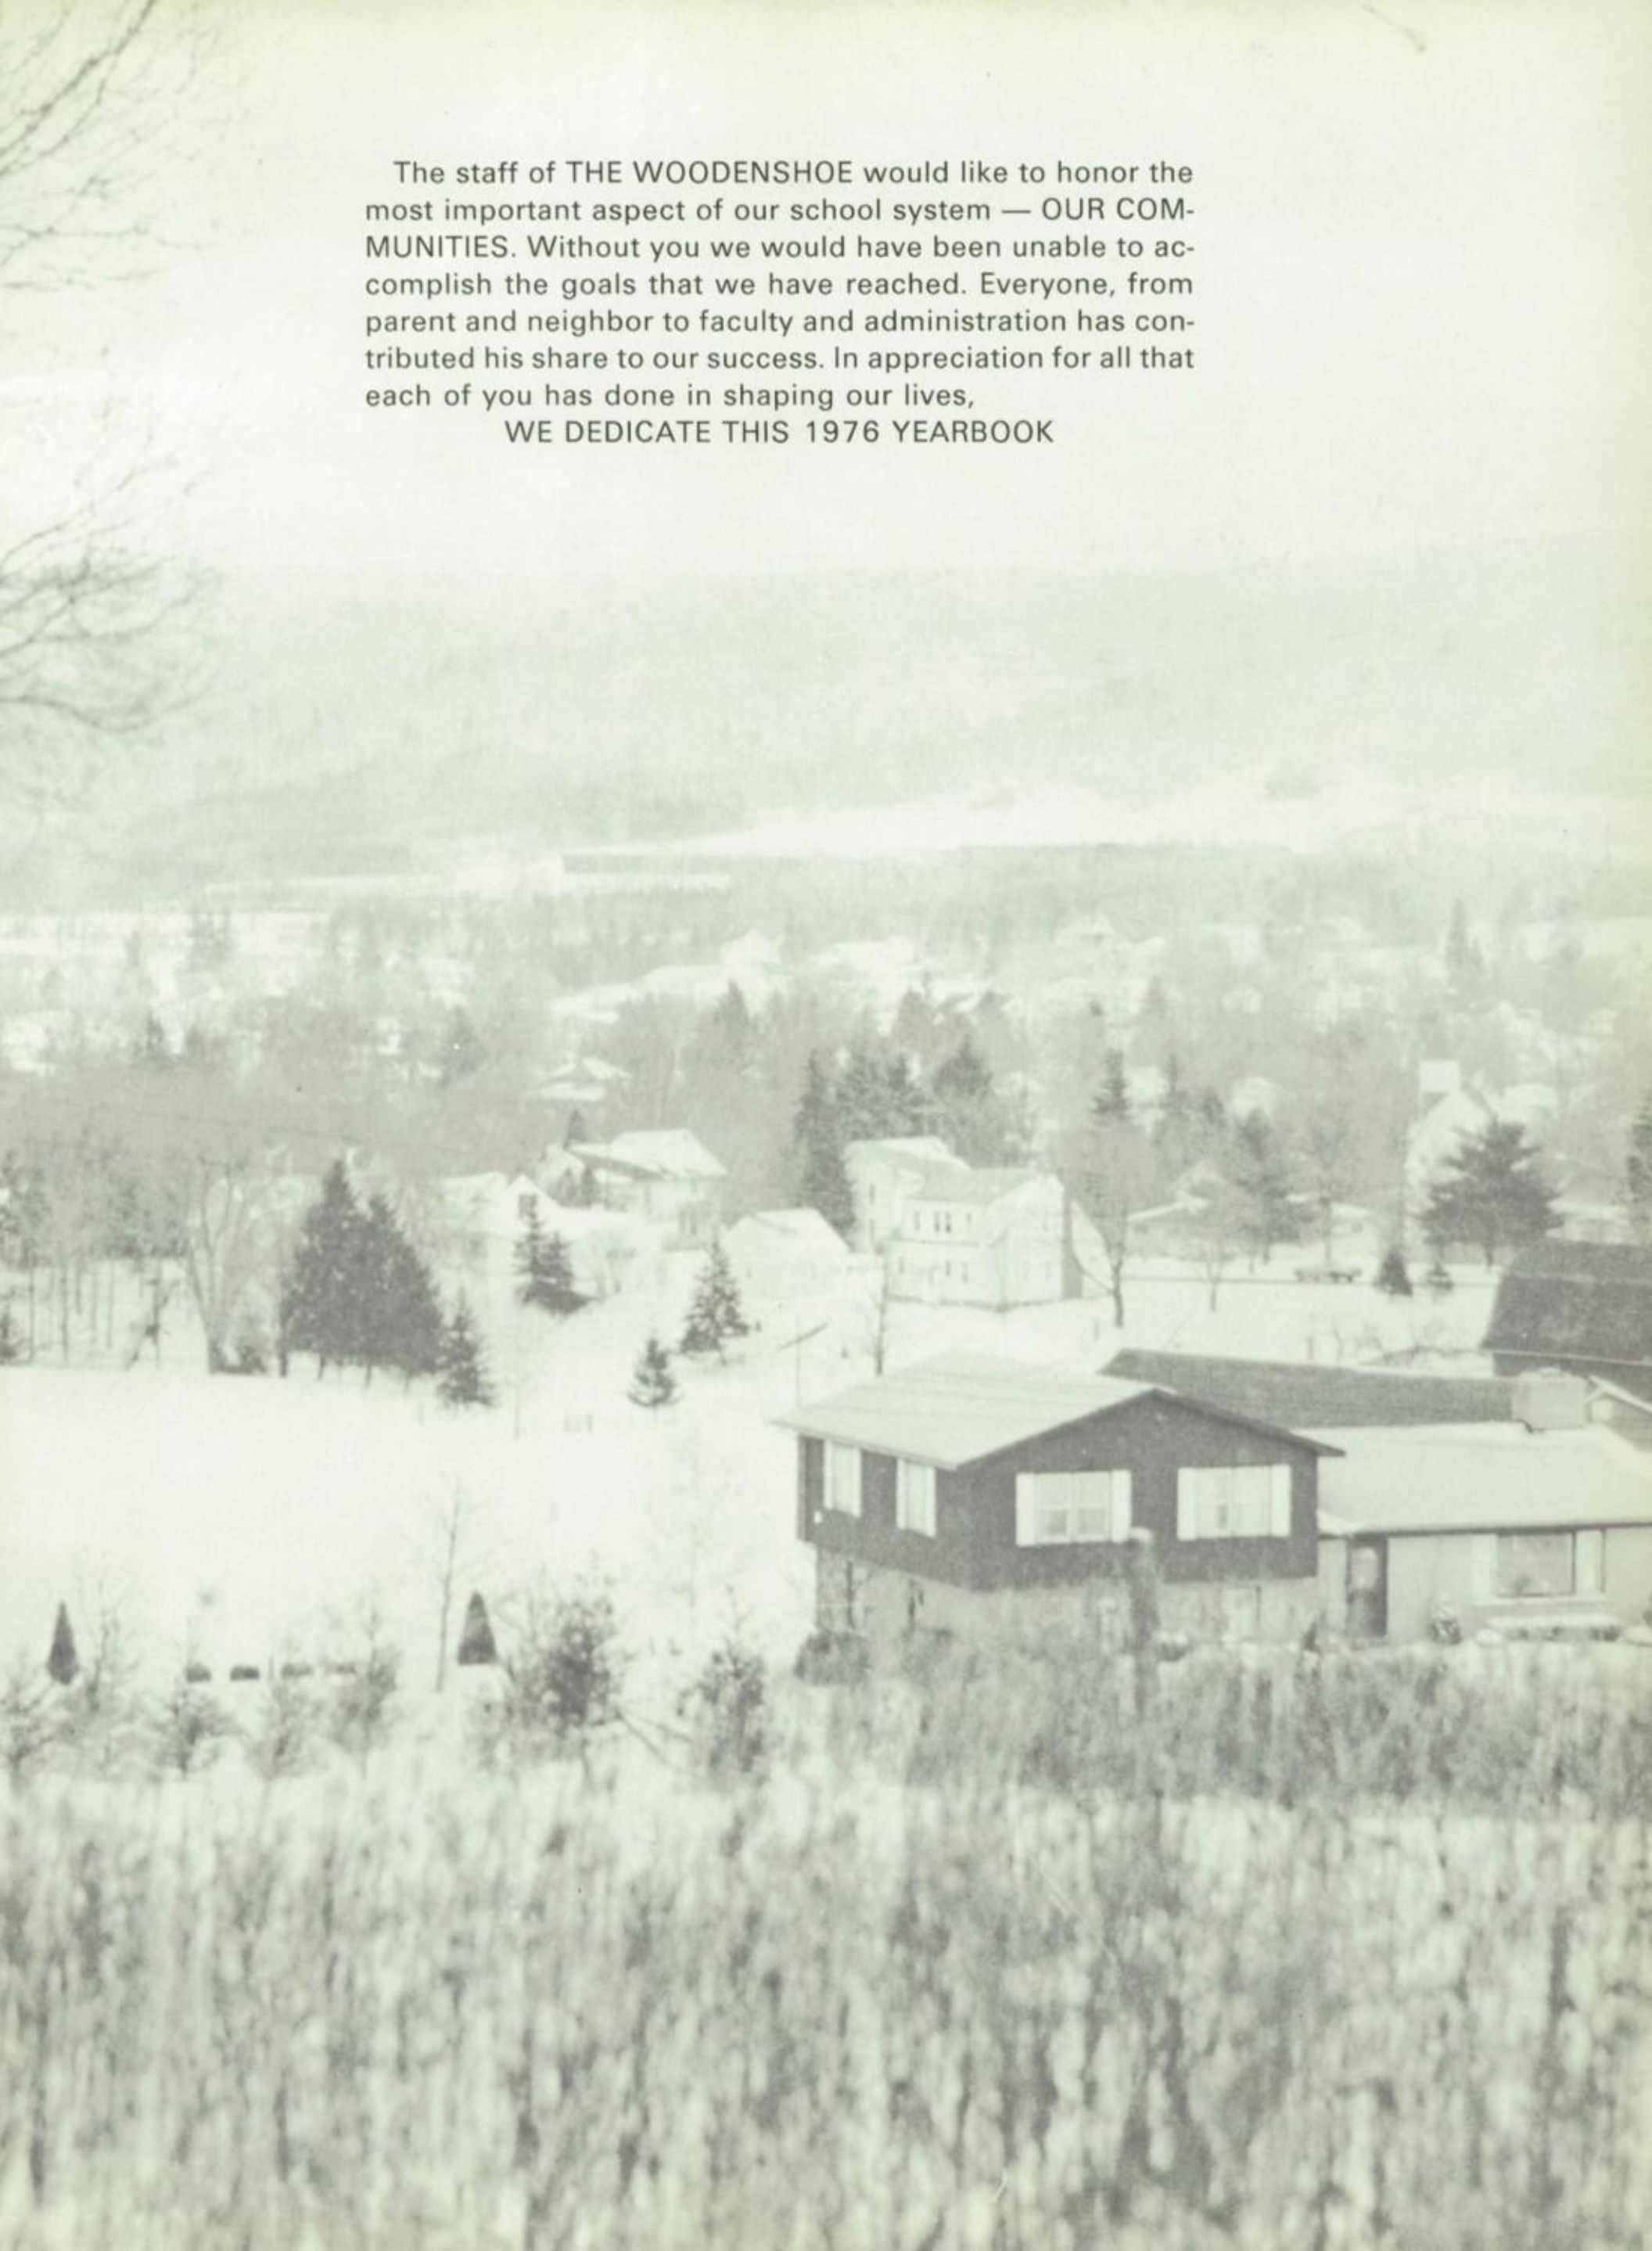

A dream of happiness

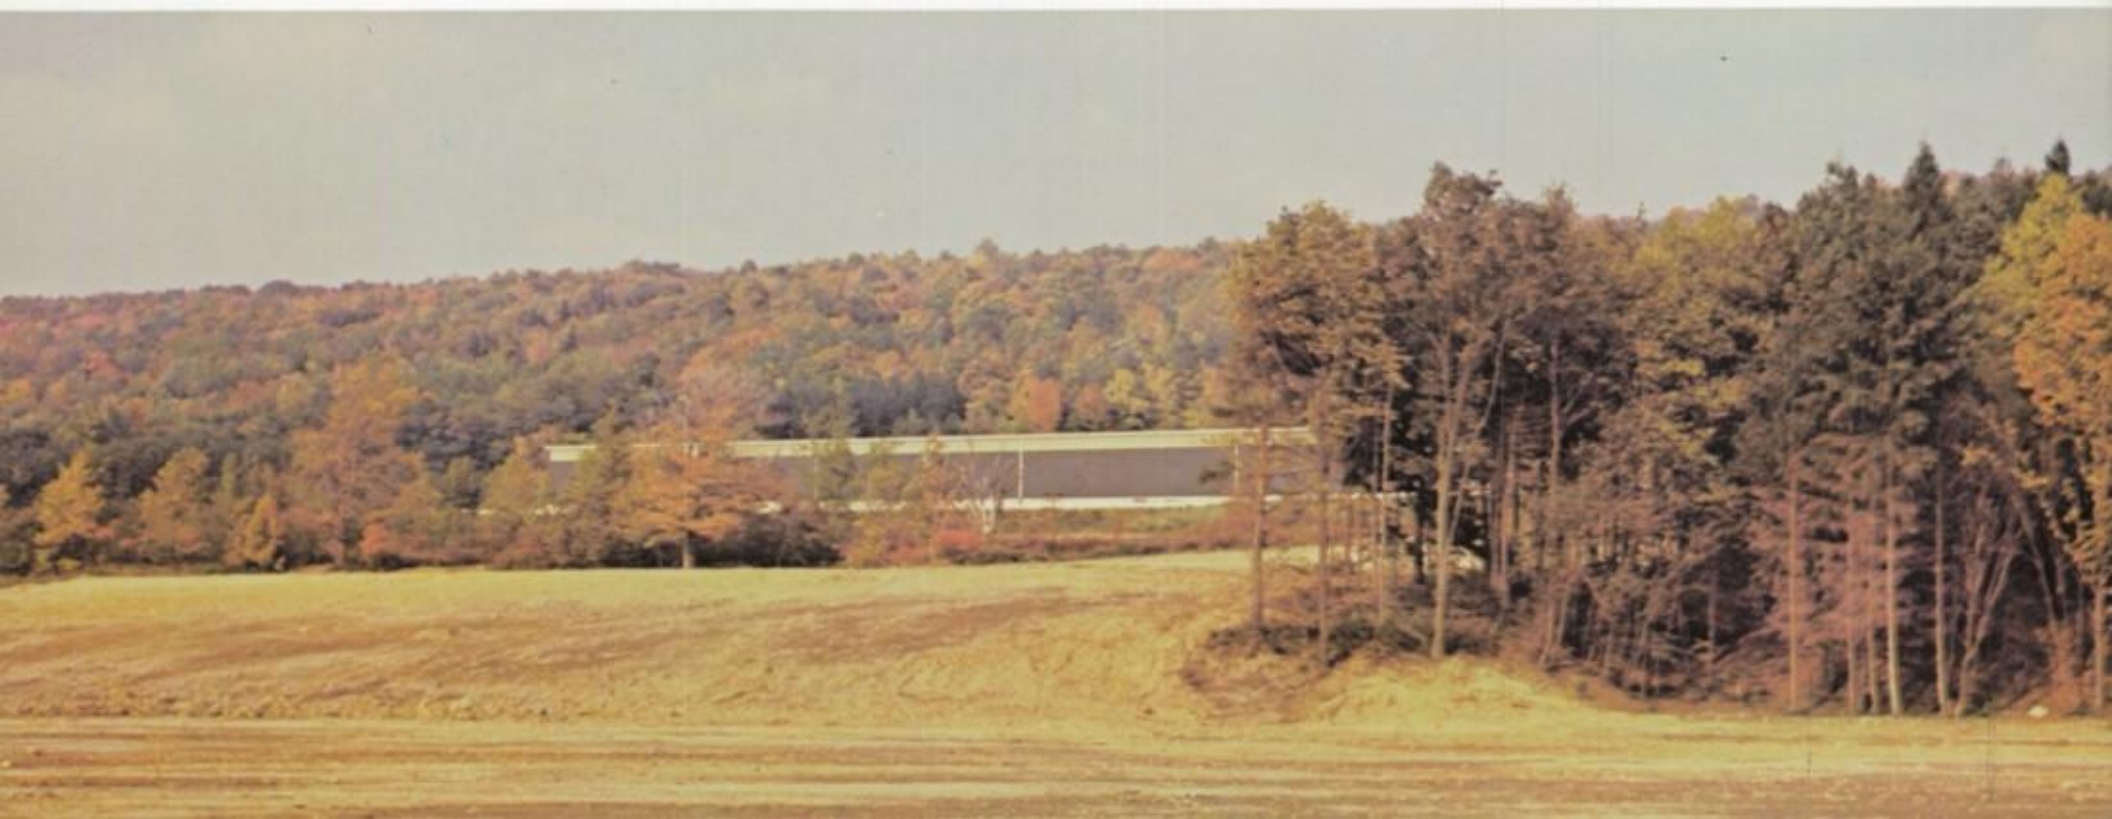

And every tomorrow

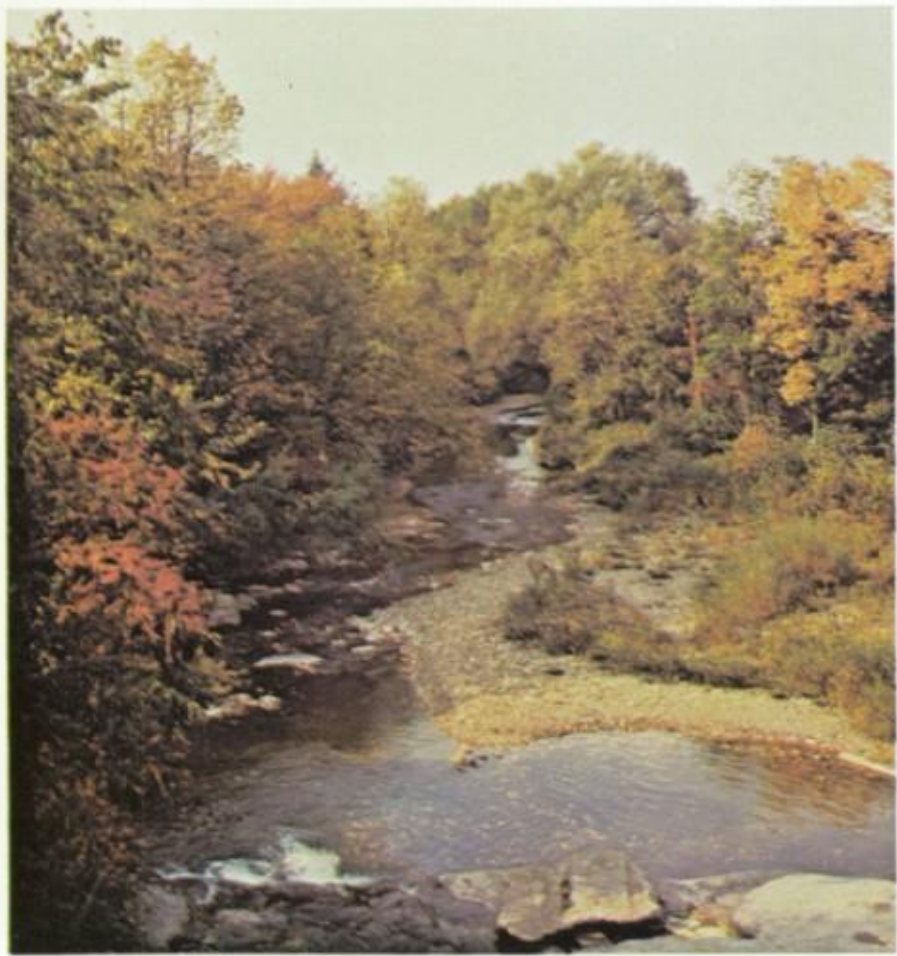

A vision of hope.

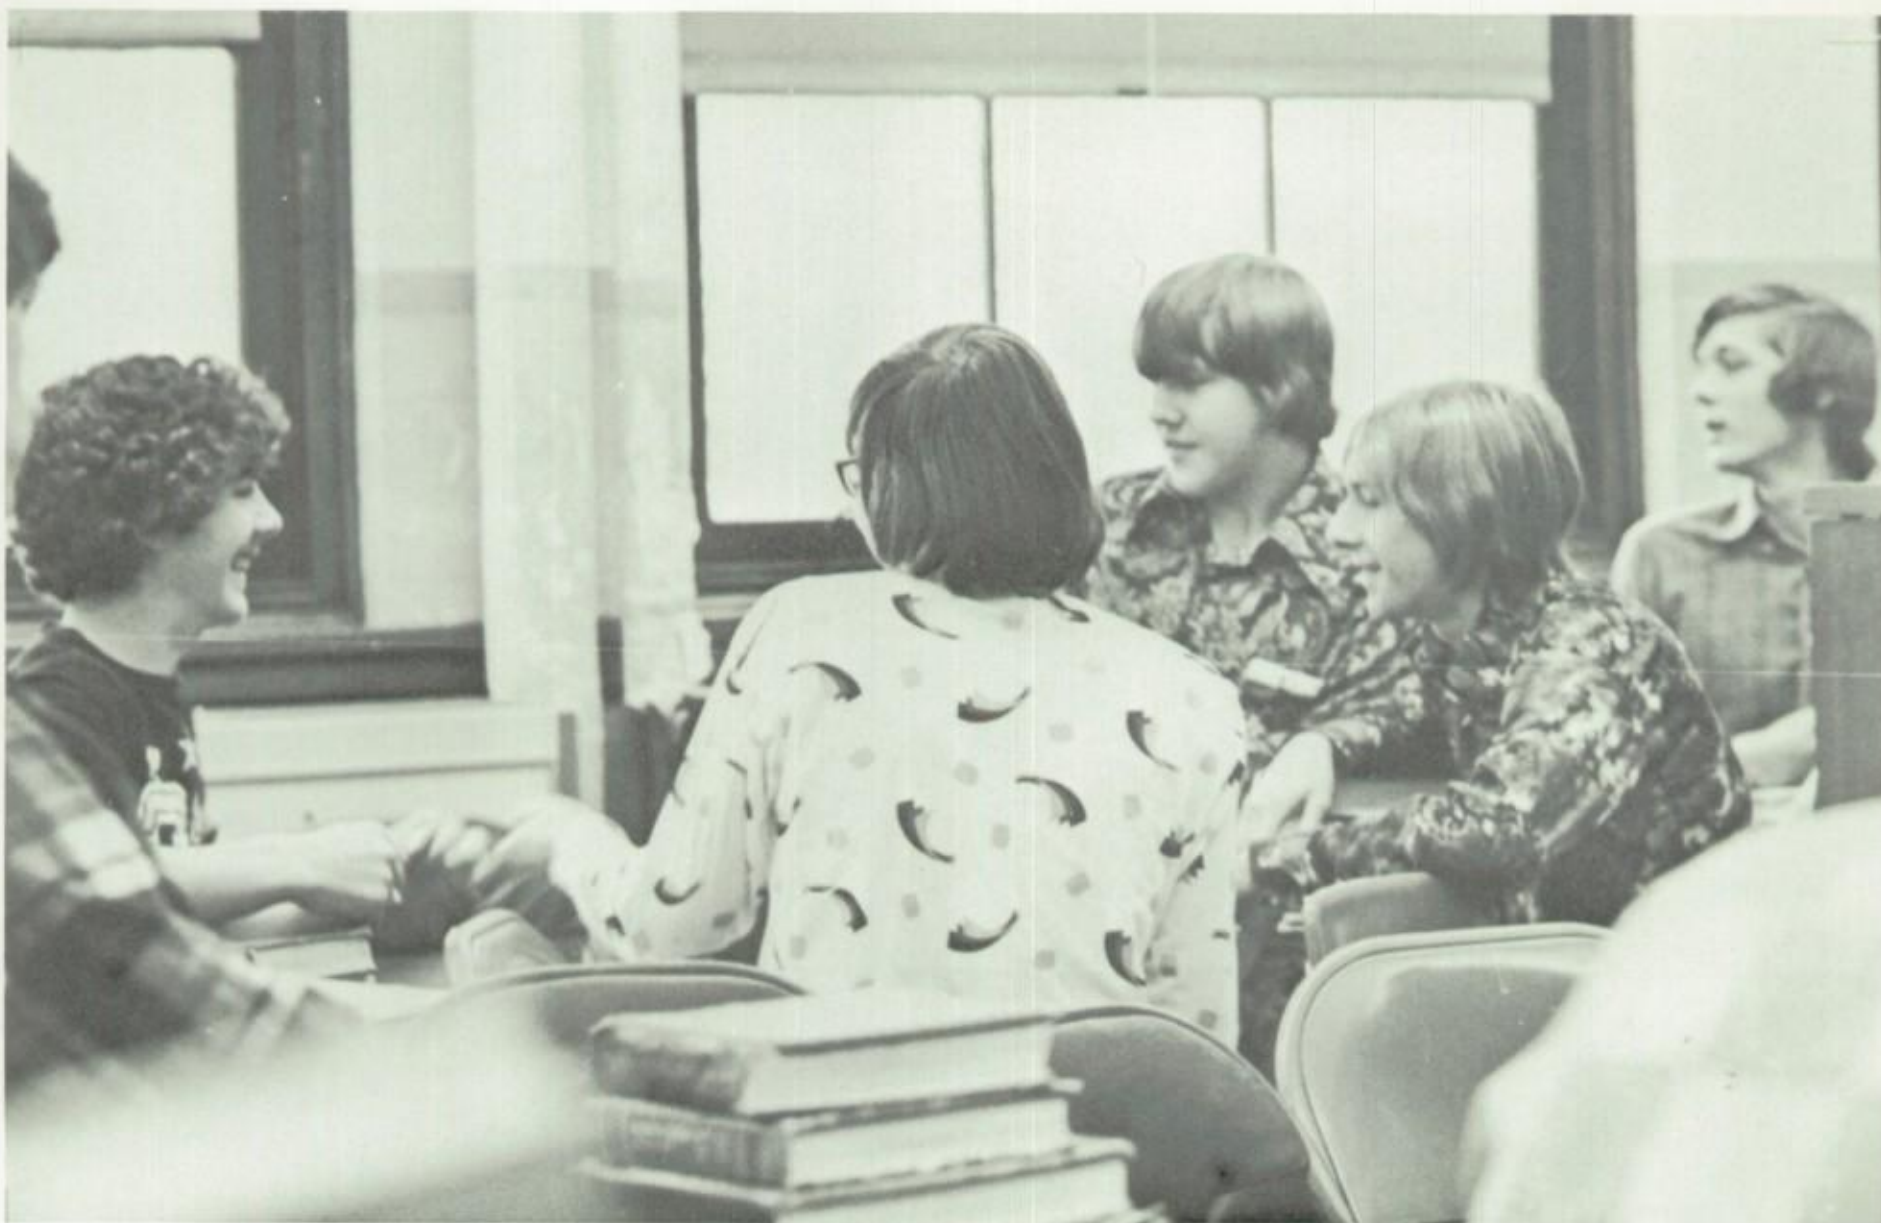

The staff of THE WOODENSHOE would like to honor the most important aspect of our school system — OUR COMMUNITIES. Without you we would have been unable to accomplish the goals that we have reached. Everyone, from parent and neighbor to faculty and administration has contributed his share to our success. In appreciation for all that each of you has done in shaping our lives,

WE DEDICATE THIS 1976 YEARBOOK

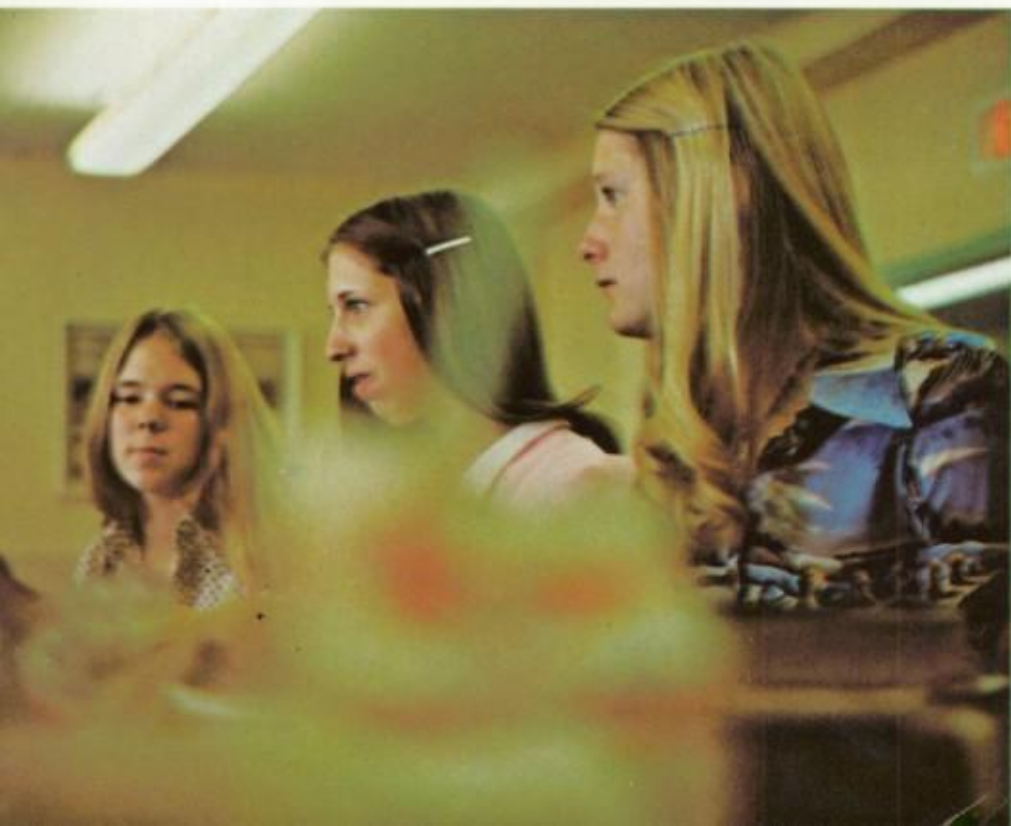

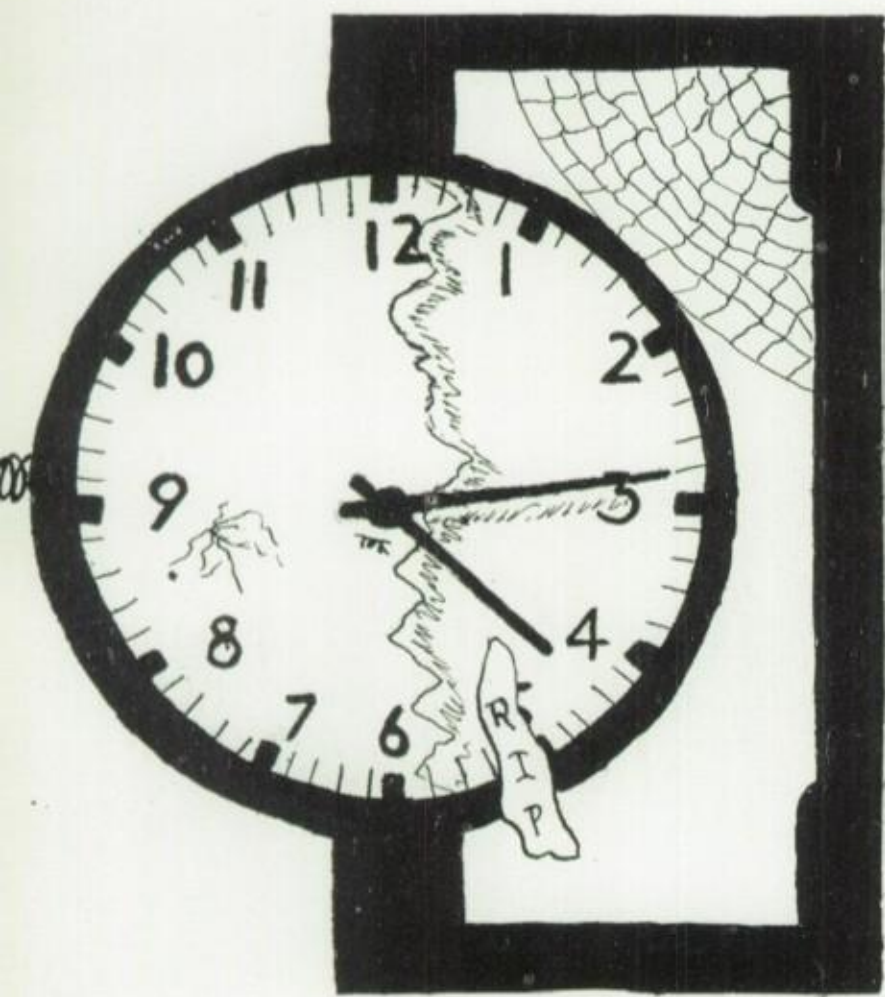

Hard Work?

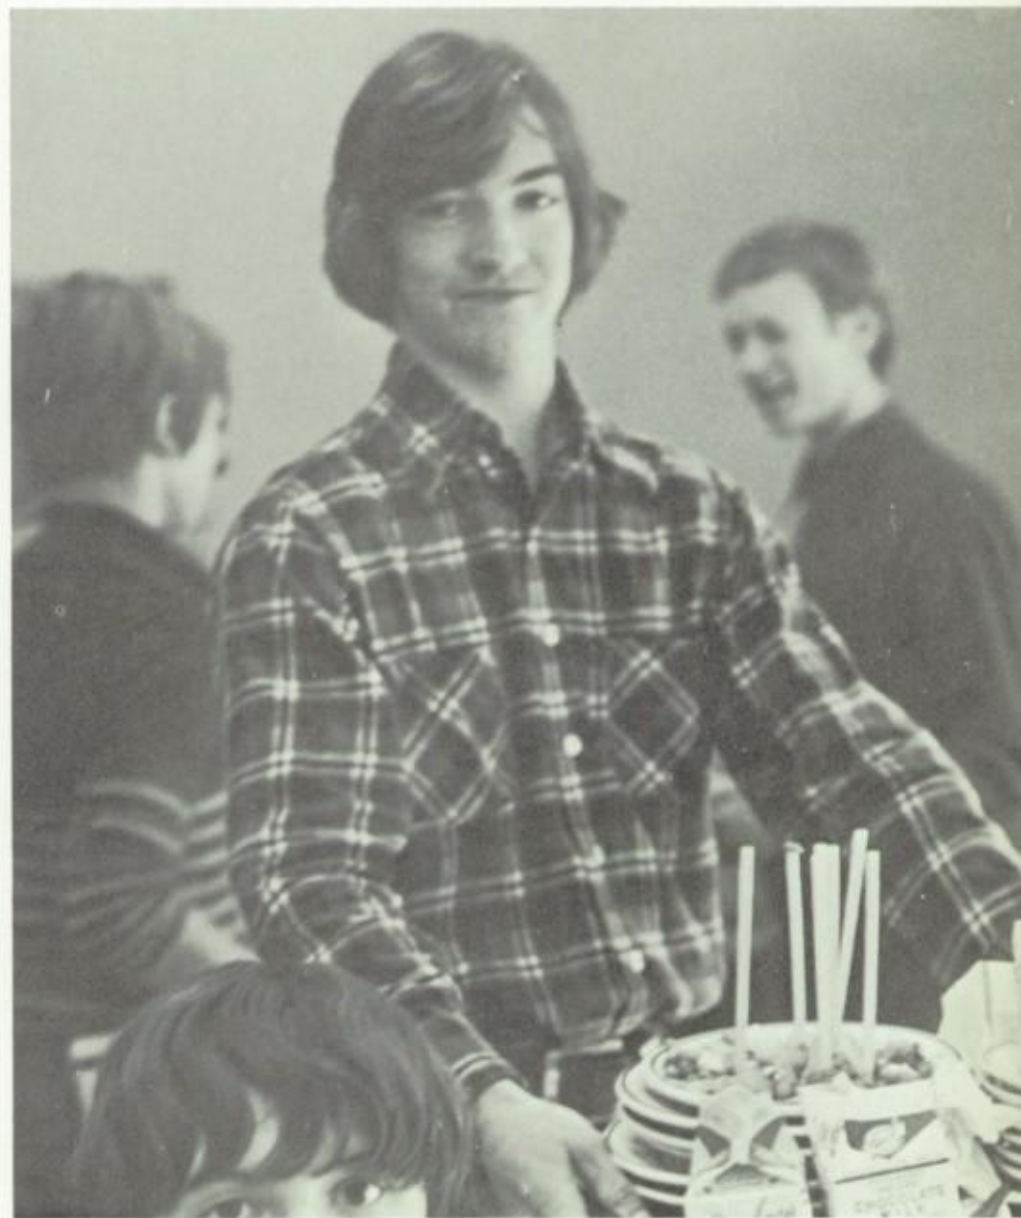

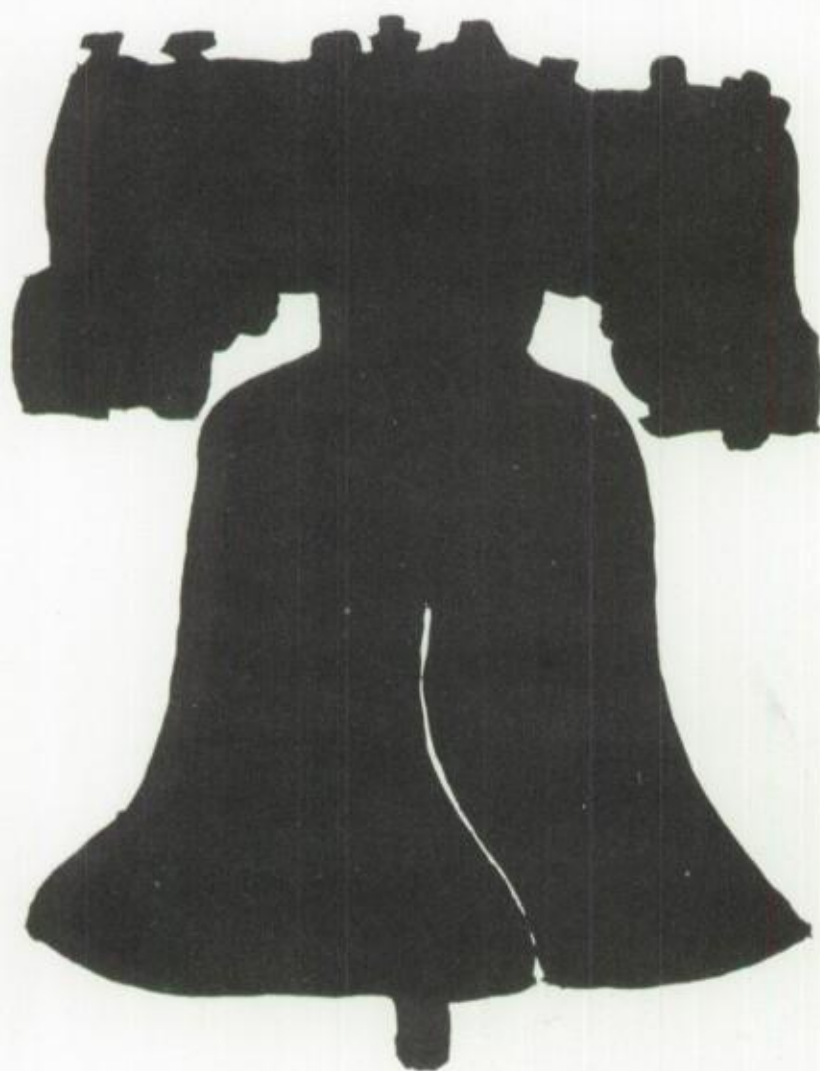

Twice A Day!

From their varied backgrounds and interests they work together to provide the most rewarding and efficient educational experience for all the students at Holland Central. Their total involvement in every facet of school life and activities only makes each of us aware of the dedication of the community to the school. They are our Board of Education — Mrs. Carolyn Crosby, Mr. Frank Noeson, Mr. Al Kalinowski, Mr. Leslie Underhill, Mr. Albert Kerner, Mr. Joseph Buckley, Mr. Walter Lewis.

They cared. We will always remember that. They cared, and it was and is easy to see and realize. Mr. Arnold, with his interest in the school, the total community and its' young citizens, brought respect and dedication to the office of District Principal. His staff of Mr. Weissenburger, Mr. Geertgens, and Mr. Billinghamurst carried on their respective duties in their separate buildings with the same understanding and dedication. We can see them still, and remember the human and educational interest they brought into their days at H.C.S. Through the distance of time we can appreciate them still, and realize that their efforts were always in our behalf: to create in us the best of citizens and people. A sincere "Thank You" to them, from all of us.

JUNIORS

"And If We Had It All To Do Again"

Could we have had as good a year as the class of 77, would we have been able to be a more active and energetic group? Led by class president Beth Metzger and advisor Mr. Penziul the Juniors did themselves proud in many areas of activity and achievement at H.C.S. Among the class activities was a very unusual car wash. Most people put the soap on the car well, Mr. Penziul put the soap in Dave Mackowski's hair. Other activities have been a gym night, a bowling party, and attendance at Bills' games. Congratulations to the prince and princess of the prom, we hope your reign is a pleasant one. We enjoyed the toboggan party, gym nights, submarine sale and the End of The Year dance. In sports there were many leaders. Don Hogate in soccer, Jim Ersing in wrestling, Steve Logel in basketball, and Judy Kensy in volleyball were a few of the participants. Our four cheerleaders supported the athletes in their endeavors. Each and every one added their own flavor to the success and enjoyment of the year.

SOPHOMORES

A

Or Has Time Rewritten Every Line

Almost every line, at least if one was a sophomore striving for excellence in the eyes of Social Studies and English teachers. For the class of '78, the sophomore year was filled with the challenges that lead to success in many fields. In sports, Mike Lewis made us all proud as he lead his classmates in the interscholastic competition, and academically the high averages of Ray Bahr and Doreen Dynarski were something we all could strive to equal. The Sophomores were willing workers in the band, the choruses, the office and in class activities. Anyone could see the future leaders of H.C.S. in the Sophomores productive ranks. It wasn't hard to find a fiery spirit that brought success to their class activities. Class President Debby Freeman and Adviser Mrs. Bauer certainly did their best to pursue a varied and exhausting list of events that brought the class members together in cooperative efforts. Among these activities, faithful Buffalo fans of the Sophomore class attended action-filled football, basketball and hockey games. At our J.V. basketball games a stuffed, blue bunny became the team's mascot. Our star player showed his insecurity by bringing this bunny to all of the games. Many of the Sophomore guys started a revolutionary fad by wearing their "mother's" blouses to school. We also found time to initiate into the joys of teaching one great schnork of a guy, Mr. Carl Penziul. We look back now to a year filled with fun and challenge, never to be repeated, but always to be remembered.

FRESHMEN

Can It Be That It Was All So Simple Then . . .

September of the school year brought the "pitter patter" of new freshman feet. They came with enthusiasm, friendliness, and the idea "It could be so simple." After a few weeks of High School they found out that you have to take the good with the bad. The good was the Bowling Leagues, a movie matinee, tobogganing, and the viewing of the ice capades. Activities were organized by Sandy Geer and Kim Streicher, Co-Presidents, and Mrs. Gottfried, advisor. Along with the good came the bad. Some people took homework and studying seriously — to each his own, but it usually paid off in the end. Congratulations to Heather Dougan, Tom Lawall, and Brigitte Pilkington for having set such high academic standards for the class of '79. Other freshmen made their mark in athletic competition. Such stars as Phil Bogucki and Sandy Mosher insured the success of their teams. In the band and chorus the freshmen did themselves proud. As we look back to that class of '79 we know they didn't find everything too simple, but that they worked to lay the foundations that will insure their total success in the years ahead at H. C. S.

Working Staff

General Staff

The Yearbook Staff worked hard this year to create a book that tells "The Way We Were" in 1975 and 1976. We have worked amidst staff changes, ice storms, snow storms, late nights, no supper, cold pizza, and have been plagued with headaches throughout the year. But never fail — again a book has been produced by the students of Holland Central School for the students of Holland Central School. We hope you appreciate our efforts. The staff was: Diane Fronckowiak — Ann Koerner co-editors, Sue Dorchak — Photography editor, Judy Hunt — Layout editor, Cathy Draper — Art editor, Audrey Montgomery — Copy editor, And last of all but not least our fearful advisor — Mr. Hardy. There were also a staff of many dedicated students under these editors, Thank-you for all of your work. See you next year!

P.S. Don't forget Ken Bahr who helped our yearbook staff in every way possible. Our only "Jack Of All Trades Editor."

In Division III of the Erie County Girls Interscholastic Conference the Holland girls finished in fourth place. Eight league games plus three non-league contests rounded out this year's schedule. The team record was two wins, five losses, and three ties.

Even though this year wasn't a victorious one, every girl did improve her game knowledge and skill. Real dedication made our wins possible.

The 1976 season brought many things to the Holland Central Girls Basketball team. Players on the Varsity team experienced a year that was beneficial in many ways. The season was one of skill development, building team spirit and sportsmanship. Our opponents included such schools as North Collins, Cleveland Hill, Pioneer, Eden, Springville and Gowanda. The girls reward for their season effort was not the undefeated record so often thought of as the ultimate goal, but in the fact of participation in athletics. Todays women have a definite place in sports and the girls on the 76 team made a positive step toward finding that place.

The 1975 Varsity Soccer season was one of hard fought success that was highlighted by two victories over arch rival East Aurora, their only league losses, and Holland's appearance in the Sectional play-offs. Led by first team ALL STARS Ron Rickettson and Don Hogate, supported by second team ALL STARS Don Peckham, and Ron Post, and based on the achievements of each team member the Flying Dutchmen compiled a 6 wins — 3 ties — 3 losses record in ECIC Division III. Our toughest foe turned out to be Grand Island, who we faced three times, the final confrontation being in the play offs, where we fell in a three to one contest. In League play Holland scored 21 times, while surrendering 18 goals. It was a great season, with each team member making a maximum contribution to the team success.

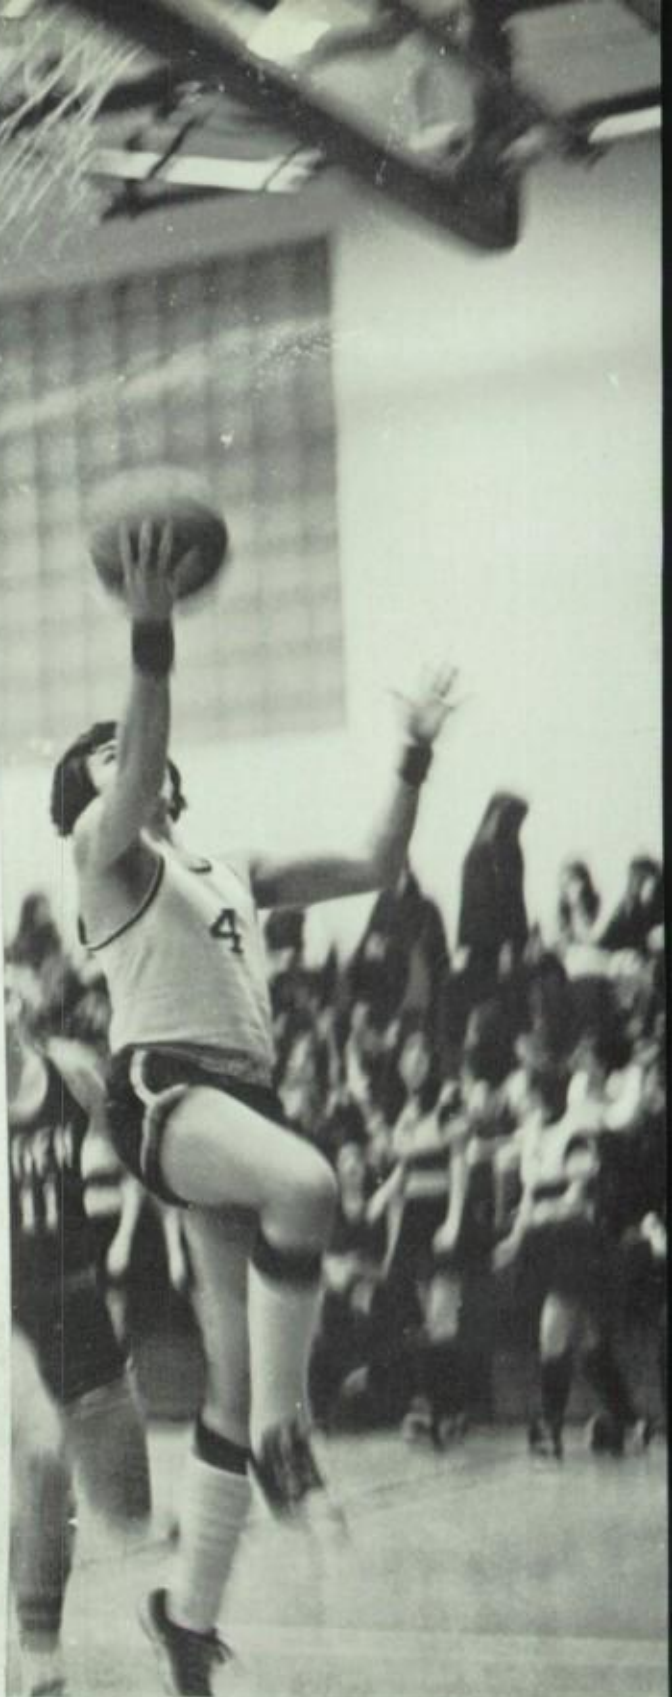

J.V. SOCCER

We finally did it! The 1975 Baby Dutchmen took the league championship in their division for the first time in a number of years with an overall record of 11 wins 3 losses and 2 ties. Outstanding play was registered by Sophomores Jeff Hileman, Mark Bakowski, and Mike Jackson at the fullback position, Sophomore halfbacks Mike Lewis, Ed Potter, and Ron Ashburn, along with Sophomore line Dave McArthur, Bill Pangel, and Steve Torres. Outstanding Freshmen players included Dan Leach, Mike Kaleta, Rodger Kinney, and goalie Phil Bogucki. Coach Wiseman has nothing but praise for the entire 24 team member roster, not to mention our timing & statistic staff and all of our loyal fans who backed us all the way.

J.V. SOCCER — *kneeling* — Mike Underhill, Ron Ashburn, Steve Torres, Lee Oakley, Michael Zientek, Burton Farrant, Joe Diaz, Jeff Hileman, Mike Lewis, Tom Galante, Jeff Kinney, Kevin Kerlin *standing* — Mr. Wiseman (coach) Rick Wohlgemuth, Dave McArthur, Mike Jackson, Eric Place, Michael Kaleta, Bill Pangel, Rodger Ellis, Phil Bogucki, Mark Bakowski, Ed Potter, Dan Leach, Lee Closson, Kevin Thompson

The Varsity Dutchmen experienced a frustrating year in posting a won 4 lost 14 record. In all 3 games, the Dutchmen were in the ball game going into the final quarter. These made the games interesting for the spectators but frustrating to the players when they lost. Leading the scoring for nearly all the games this year were Ron Rickettson and Mike Lewis. On most nights, either one or both of these boys would be scoring 20 or more points. Defensively, the team had to play aggressively to stay close to their opponents. Mark Adams, Chuck Buell, Don Peckham, Steve Logel, Jeff Hezlett, and Mike Draper could be counted on to give 100% on defense to make the games more interesting. Good Luck to the seniors who will be moving on to other fields of interests. Boys returning for next year's squad will be Mike Lewis, Chuck Buell, Steve Logel, Joe Inglis, and Pete Kingsbury. Mike will return after being honored by selection to the second team on the Division All-Star squad, quite an achievement for a sophomore.

J. V. BASKETBALL

Our Junior Varsity Basketball team had a very successful season. The Jay Vees compiled a 13-5 record enroute to a tie for second place in the ECIC Division IV standings.

The hi-lite of the year was the Holiday Basketball Tournament which our school hosted. In the preliminary game the Junior Dutchmen defeated the Hinsdale Bobcats, and in the finals our team won the Championship trophy by beating archrival North Collins. The Jay Vees shot 45% while averaging 58.7 points per game. They held off their opponents to 51.3 points per game.

Offensive leaders were Captain Kevin Custard, and Bill Pangel, while Jeff Hileman and Phil Bogucki led the defensive efforts. Good Luck to the entire team as they will make contributions to both the J.V. and Varsity next year.

They Were Amazed

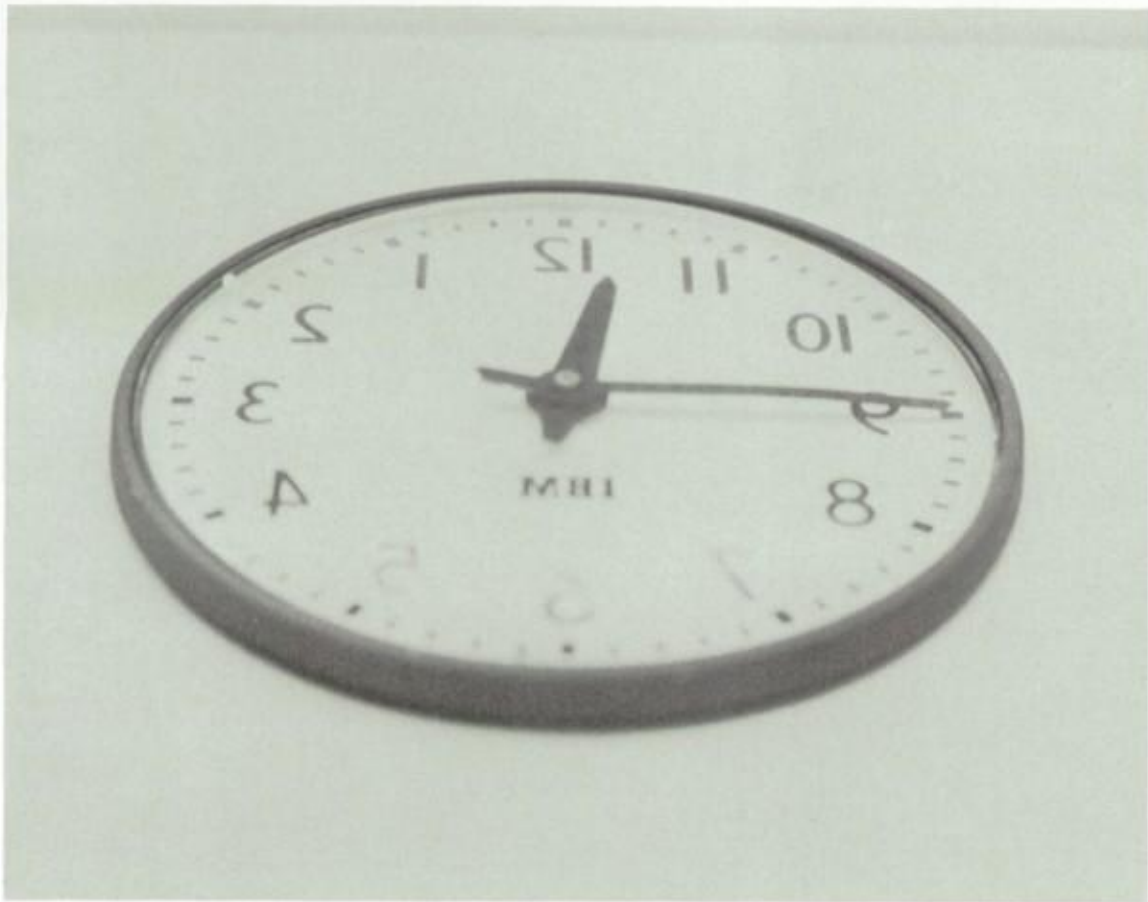

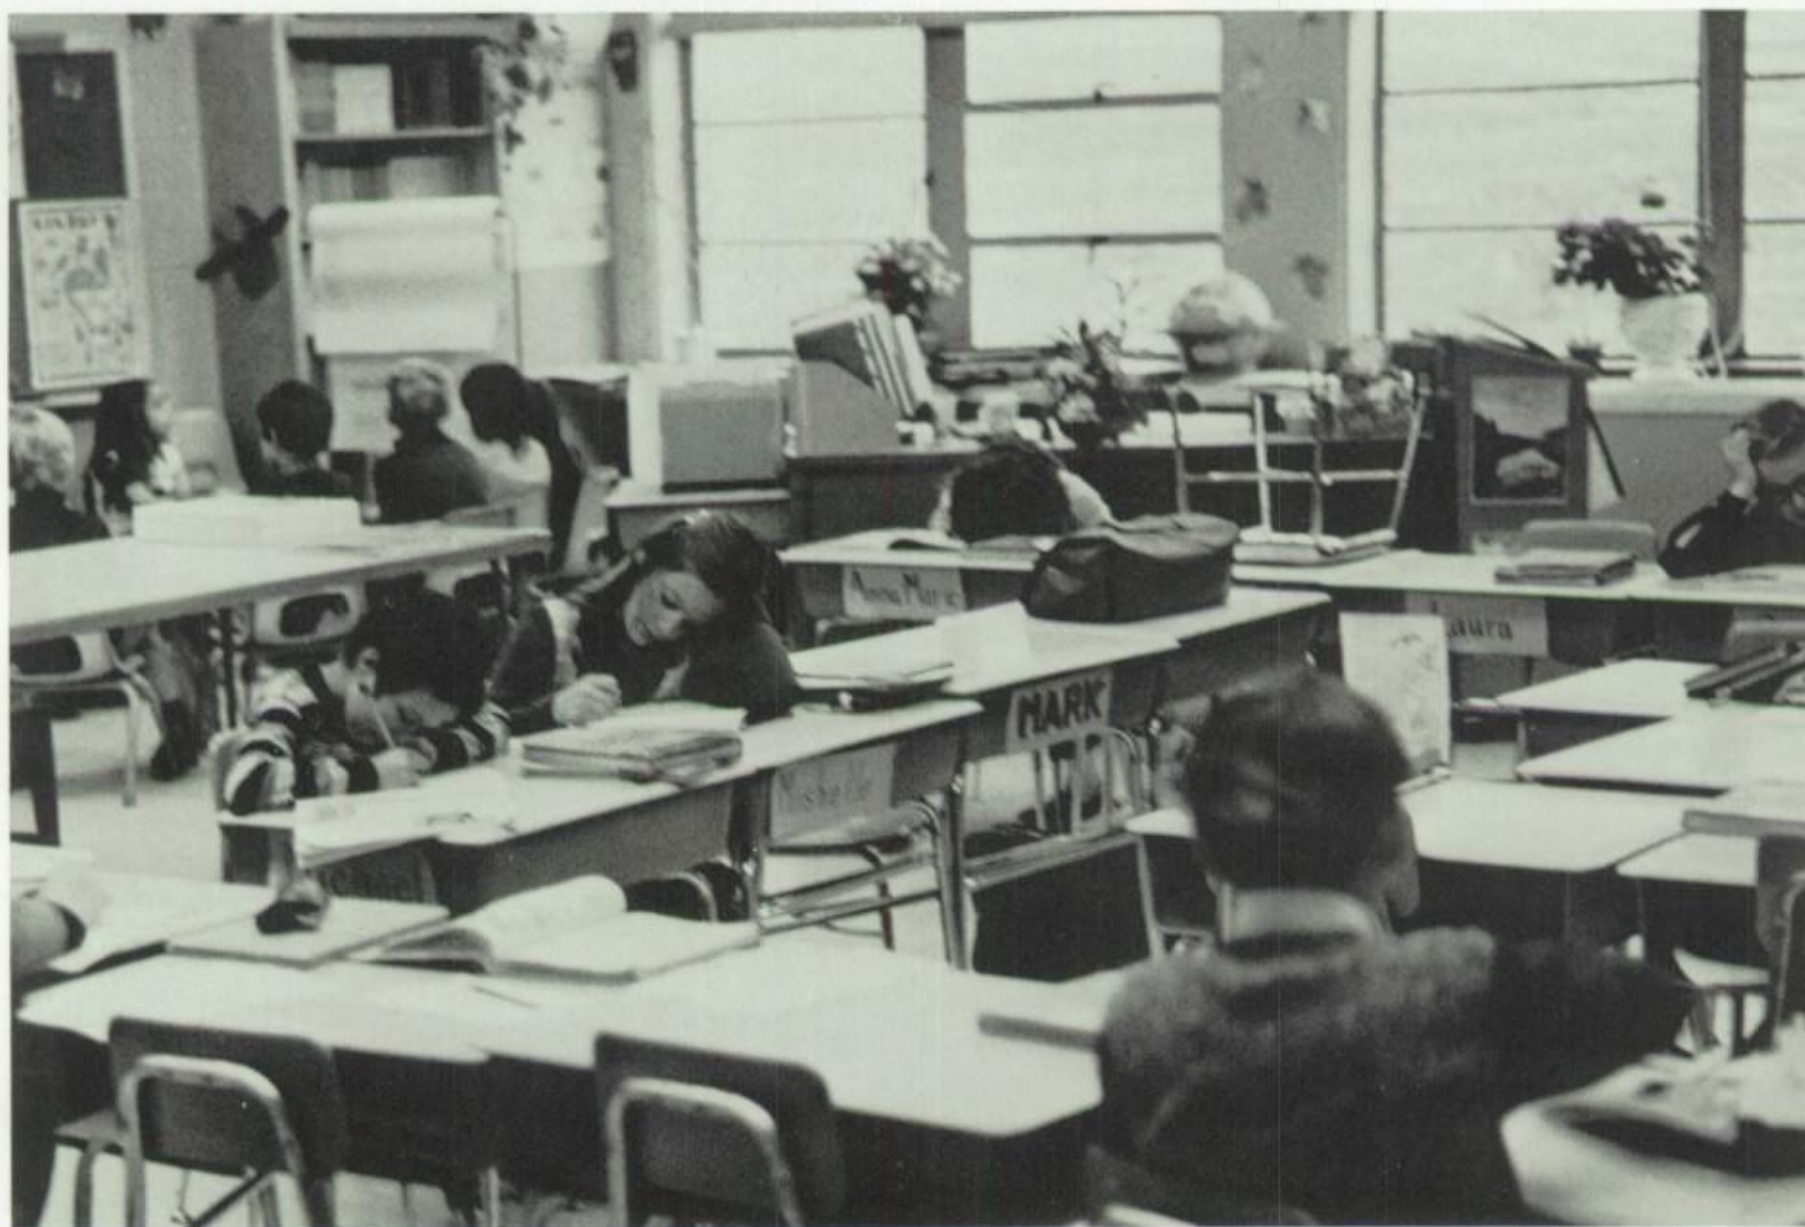

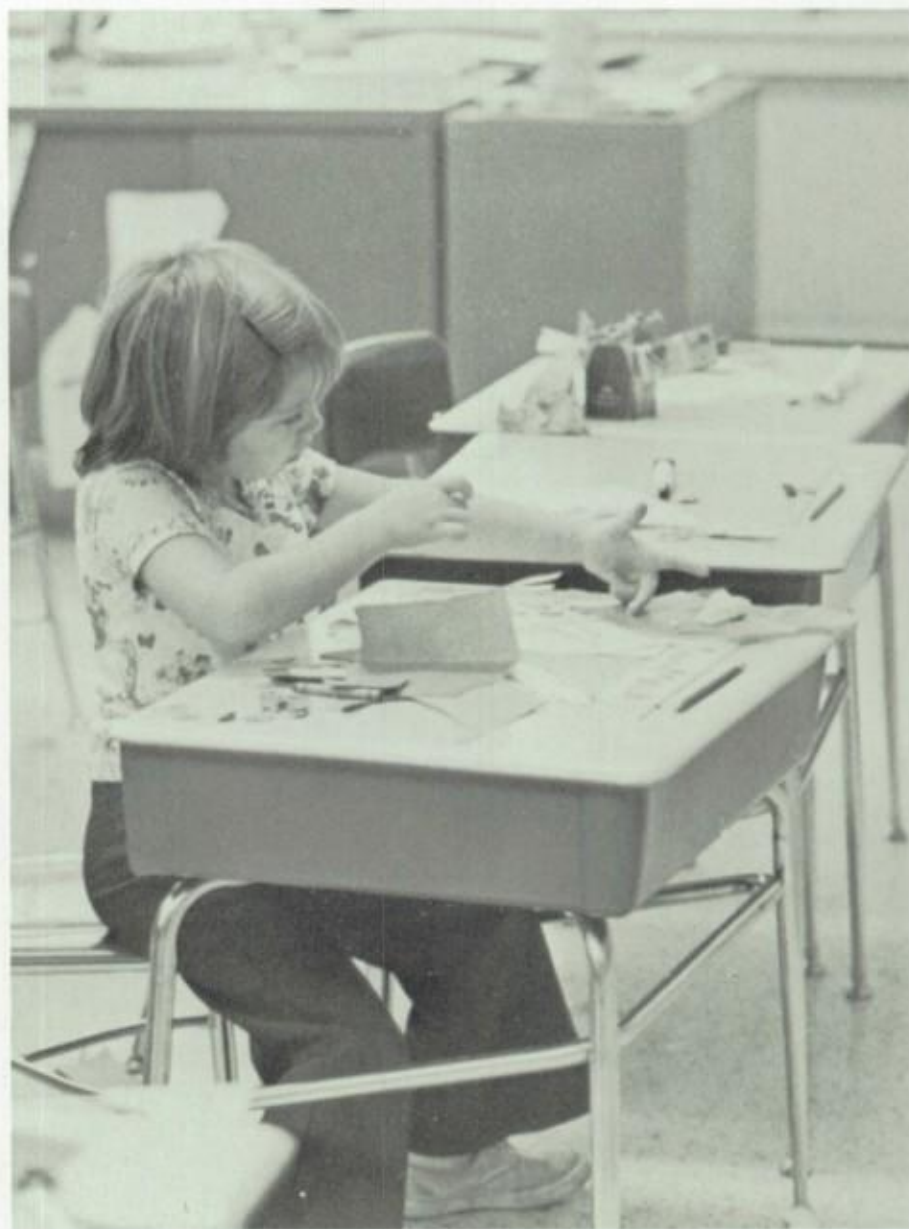

A

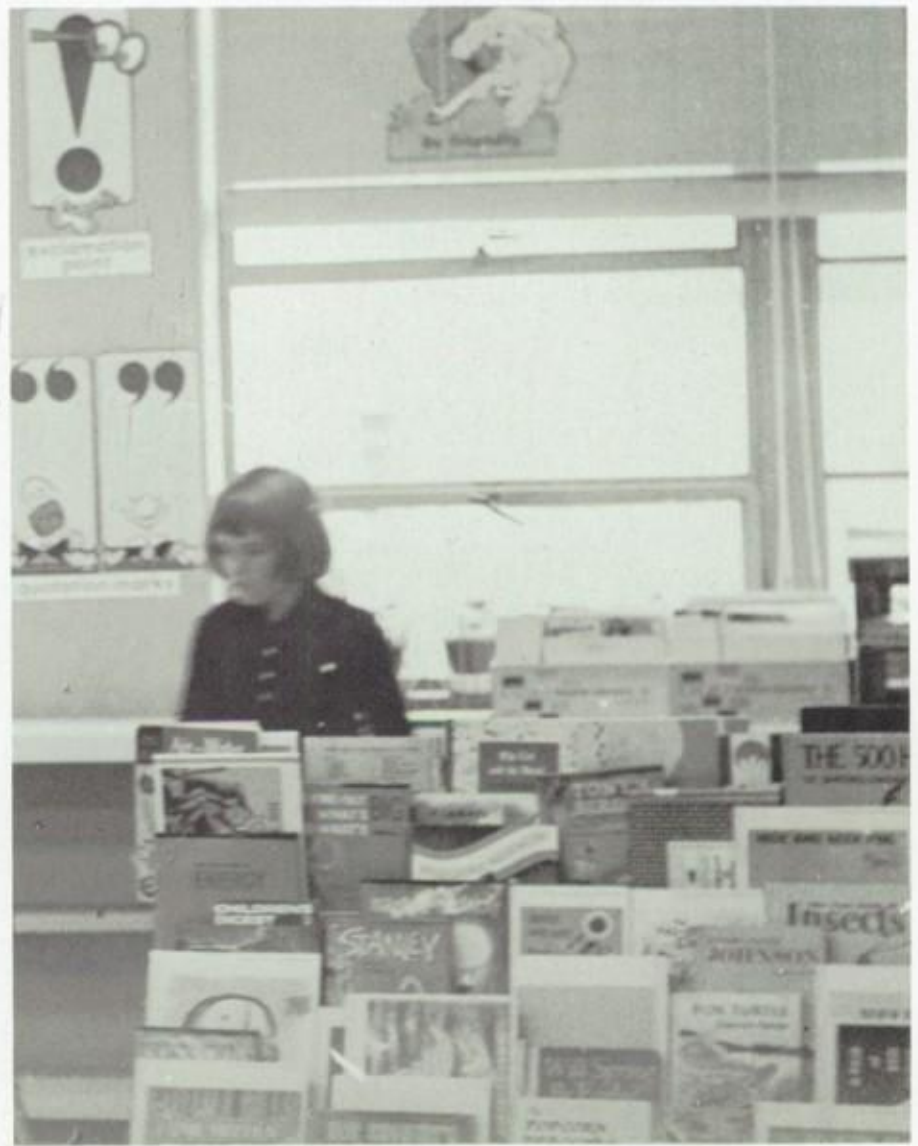

A. Mrs. Ann Egner, Miss Linda Getman, Mrs. Kathleen Giffune, Mr. James Hewitt, Mrs. Carol Foster, Mrs. Ellen Ketter

Bringing to our elementary school their varied talents and interests, our specialty area teachers help create a well rounded educational experience. Art and gym and special aids make our smiles brighter and our days more worthwhile. It is always nice to know that such nice people are available in our "little" school.

A

The secretarial staffs of our three buildings, under the capable and dedicated leadership of Miss Beverly Beardsell, help teachers and students alike as they perform their various daily routines. Miss Beardsell, as Business Manager, Board of Education Clerk, and sincere friend to all who pass through the Halls of H.C.S., has indeed assembled a skilled and efficient team. It is only through our error and it is our loss that such a team appears above without its esteemed leader. Miss Beardsell, ladies of the offices, we salute all of you.
